Footnotes:

- 1: The number of cases is too small (n<25) for purposes or reliably predicting hospital's performance.
 - 2: Measure reflects the hospital's indication that its submission was based on a sample of its relevant discharges.
 - 3: The hospital is not currently reporting this measure.
 - 4: Inaccurate information submitted and suppressed for one or more quarters.
 - 5: No data is available from the hospital for this measure for the reporting period.
 - 6: 0 patients. This hospital treated patients in this condition, but no patients met the criteria for inclusion in the measure calculation.
